MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Contract No. PF-400 with Granger Associates,
Palo Alto, California, Project [REDACTED] 25X1C

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in paragraph 5.

2. Contract No. PF-400 with the Granger Associates is the Definitive Contract contemplated by the Letter Contract dated 26 June 1958. This contract is for the procurement of the design, development and fabrication of one (1) System embodying the principles of the [REDACTED] Deception Repeater System. It is intended that the system be installed and flight tested in an Agency aircraft to prove operational suitability. Contractor is required to deliver the system on or before 15 October 1958. Testing is expected to require 30 days.

3. No additional funds are being obligated as a result of this Definitive Contract. The estimated cost, including fixed-fee, for this work is [REDACTED] and this amount was previously obligated under the Letter Contract chargeable to Project CHALICE Fiscal Year 1958 Funds.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
